

Tolson Richard/Long 21 Dec. '76

His article represented only his own personal opinions. "NRC" should not have appeared under his name in the original article in "Flight Comment". The editor of that mag. has since printed a correction on this.

His discussion with editor of "Flight Comment" disclosed that Major did not seek permission to reprint.

Richard will now contact Major.

Richard got in serious trouble as a result of this article and nearly lost his job - and may even yet. He wrote article as a freelance writer.
