Saucer. Consult the former Head of the Project Blue Book, U.S.Capt. Edward J. RUPPELT's book - THE REPORT ON UNIDENTIFIED FLYING OBJECTS, Chapter One, Par. 1. (Doubleday & Co. Inc. New York, 1956.)

Exhibit # 9. 1953. U.S. Navy vigilance and alert on the UFO forces. OPNAV 94-P-3 order. Signed by Admiral U.S. Navy James S. RUSSEL, Vice Chief of Naval Operations.

Exhibit # 10. July 24, 1957. U.S.S.R. anti-aircraft batteries over the Kouril Islands fired on UFOs - without success. (Origin: United States Military Academy's textbook: INTRODUCTORY SPACE SCIENCE.)

Exhibit # 11. March, 1967. In the Cuban airspace a Cuban-Soviet MIG-21 jet fighter was ANNIHILATED by a "bogey"(UFO). The dreadful efficiency of a UFO arm was reported by the flight leader's escort plane from the air to the Air Force Control. - U.S. Security Agency's declassified. (Peter Gersten, Attorney at Law Governmental UFO Documentation File.)

Exhibit # 12. October 18, 1973. U.S. Army utility helicopter, piloted by Capt. Lawrence E. COYNE with a crew of four was assaulted in mid-air by a torpedo shaped UFO, and fortunately escaped from a fatal collision. (Statement of Col. Coyne in 27 November 1978, before the United Nations General Assembly, Thirty-Third Session, Special Political Committee.)

Exhibit # 13. Fall of 1974. Binn, Korea. UFO spacecraft with a BEAM OF LIGHT SHOT retaliatated a U.S. "D" Battery's Hawk missile fire. The missile and the launcher were "MELTED DOWN LIKE LEAD TOYS." (Leonard H. Stringfield: SITUATION RED - The UFO Siege. Doubleday & Co. Inc. New York, 1977.)

Exhibit # 14. September 19, 1976. Iranian-U.S. F-4 jet in dogfight with UFOs attempted to fire an AIM-9 missile,- when at that instant the weapons' control panel went off, and the fighter lost all UHF communication and interphone with the ground. (Department of Defense, Unclassified.)

Exhibit # 15. UPDATE! June 3, 1980. Peruvian jet fighter tried to destroy a UFO - but without success. (Message Center, Department of Defense, Joint Chiefs of Staff.)

Exhibit # 16. February 1, 1978. NASA(National Aeronautics and Space Administration) release reinforced that *"Unidentified Flying Objects entering U.S. airspace are as a REGULAR PART OF DEFENSE SURVEILLANCE."* - At the same time U.S. General Richard C. HENRY, NASA's military scientist determined to ICUFON Hq. that UFOs are *"baffling collection of anecdotal evidences."*

Exhibit # 17. USAF Col. (Ret.) ASTRONAUT Gordon COOPER's attestation for the United Nations General Assembly, Thirty-Third Session (Nov.27,1978) about his and U.S. astronauts encounter with UFO Forces during their mission in the air- and outer space.

Every planetary citizen with common sense should conclude (even it isn't necessary to be a general) - when the recent political chaos and tension, local enmities and small wars would escallate to the fatal confrontation between U.S.A. and U.S.S.R., the Grand General Staffs on the both sides have
