Mrs. Carol Halford-Watkins
Ottawa New Sciences Club
95 Centre Street
Aylmer East, Quebec
Canada

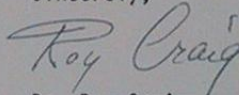

Dear Mrs. Halford-Watkins:

You did indeed return my earlier letter to you with the material you gave me in Ottawa. I will enclose it, as you requested.

Thanks for sending the copy of the Memorial Edition of Topside (1963). I am sure it will be of interest. We also are ordering a copy of Mr. Smith's book "The New Science". Perhaps I will have further comment on these works after I get a chance to study them.

It was a pleasure to meet you and Mr. Watkins, and to visit with you and other members of the New Sciences Club. Your gracious hospitality was appreciated.

Sincerely,

Dr. Roy Craig
