Excerpt of Major Ret. VonKeviczky's address to the Symposium: "On November 10, 1978, a huge jumbo jet-like cylindrical object, flashing red lights, noiselessly landed on an oil field, 90 miles north from the capital Umm Alaish. The craft within a 250 yard radius SHUT DOWN all the automatic oil pumping equipments, DISRUPTED telecommunications, PARALYSED the area for 10 minutes, wich made impossible any interception by Defense and Security Forces. From November up to January of 1979, the UFO forces returned 8 times to Kuwait to survey the oil fields.

According to the KUWAIT INSTITUTE FOR SCIENTIFIC RESEARCH, the information on the incident was withheld from the public, they were for security reason "classified!"

Regarding the immense mobilized strength on both sides (United States - Saudi Arabia vs. Iraq and both Allies), it is our obligation TO WARN THEIR HIGHEST MILITARY COMMANDERS, ADVISERS and CHIEFS OF STAFFS on the following potencialities.

Reviewing the Kuwaiti "UFO" incident, and in responsible consideration the Pentagon's TOP SECRET and CLASSIFIED UFO FILES, BEFORE ANY MILITARY ACTION IS TAKEN, ON THE BOTH SIDE M U S T R E A L I Z E that the Alien forces, besides the "oil fields"...

1. are able to PARALIZE AND INCAPACITATE: the BATTLEFIELDS, AIRFIELDS (Kuwait 1978), AIRCRAFTS (Columbus, Ohio, 1973; Teheran, Iran, 1976; Melburne, Australia, 1978)

2. SHUT DOWN COMMUNICATION CENTERS, POWER PLANTS, ELECTRIC LINES AND MILITARY INSTALLATIONS (Fort Itaipu, Brazil 1957)

3. DESTROY TANKS, MISSILE LAUNCHERS (Korea 1974,) AIRPLANES, HELICOPTERS, ETC. (Fort Knox, Ky, 1878; Cuba 1967)

ANY DRAMATIC ALIEN ACTION IN THE PERSIAN GULF MILITARY CONFLICT COULD BE FATAL TO ALL OF HUMANITY - THINK BEFORE A C T I O N ! ! !

For verification of our above issue, I enclose U.S. National Security Council "POTENTIAL THREAT" confirmation on ICUFON's Presidential Memorandum re the UFOs operations created global security problem,- including United Kingdom's identical statement.

President Ronald REAGAN's w a r n i n g to the nations re the "ALIENS" based upon his 5 hours confidential talk with Gen. Sec. Mikhail GORBACHEV on the Geneva Summit(1985).

Prime Minister of Japan Toshiki KAIFU's letter to the HAKUI SYMPOSIUM: "I believe that it is a reasonable time to take the UFO problem seriously as a reality."(1990)
