Dear Mr. Bray:

We have finally written the UFO story we discussed recently on the telephone, and I enclose a copy of it for your approval.

Although we have decided against running it under your byline, we will of course still pay the \$100 fee which we agreed on.

I would appreciate a collect call from you to give your views on the feature.

My editor has asked me to inquire whether you can send me any better photographs of yourself. We would like photographs of you seated at a desk with research papers in front of you, or standing with a copy of your book in your hand.

We do not have a regular photographer in Ottawa, so if you can arrange this, we would be most grateful. However, if this is not possible, I am sure we will be able to find someone in the area to shoot the pictures.

I look forward to hearing from you soon.

Sincerely yours,

William Dick
