Mr. Arthur Bray,

Ottawa 5, Ont.

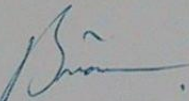

Dear Art:

We have been receiving clippings on a possible landing case near Pembroke, Ont. in Pontiac County; I'm sure you are aware of the case. According to news reports, the incident occurred on the farm of Leo Paul Chaput, mail address, Demers Centre, Pontiac County, Quebec.

Yesterday, I received another clipping concerning a ring, similar to those found on Chaput's farm, on the farm of John McLaren, Westmeath Township. One of our representatives, H.H. McKay of Agincourt, Ont. visited Chaput a short while ago however cannot return for some time. Are you familiar with these reports and is there anyone in that area you know of, that we can call upon to check into the two matters more fully? On the surface, they appear to be important considering the fact that we have had several "ring" events in the past two years.

I do not expect you to go running off to Pembroke, but we have no contacts there and the purpose of this letter is to determine whether or not you do.

Regards,

BCG
