Executive Briefing (Memo)

Yesterday R2 requested briefing on Project [redacted]. In particular, he wanted updated info from [redacted] MJ? advised that that info was not available to P2. Apparently, White House requested info because of [redacted] Can't seem to make those fools realize [redacted] info is not available for any dissemination, per EO 12356, regardless of who requests info. Contact T-2P and see if he can assume custody of the matter.

Don't allow AF to evaluate IDENT info. They may open up a little too much. KEND-? can assist to some extent.
