Dear Friend:

Thank you for your letter of Sept. 13, concerning our booklet (by N. Meade Layne), called "The Coming Of The Guardians".

We hope to receive our (third) <sup>mimeo</sup> printing of this in early October -- therefore we have placed your name on our Pending List for same, and will ship promptly as soon as available. We do not handle C.O.D., so you may remit now, or at the time we ship the booklet. - If you do not receive it by the time mentioned, or shortly thereafter, it might be well to drop us a card of inquiry --- our plans are sometimes altered by our mimeographer's delays, which of course, are quite unavoidable. --

Thank you for your interest. Cordially,  
*N. Meade Layne* (for N. Meade Layne)

*We'll send as an inspection  
copy or reading copy. Pl return  
in good condition if not wanted.
