Dear Hank:

I read with much interest the article in the STAR about your visit to the Institute in Toronto. Well done old boy!

Concerning your attempt to organize a course on UFOs at your local college, it occurred to me that perhaps you might be able to get Earl Neff of Cleveland to visit Toronto as a guest lecturer. He is a terrific lecturer, and has what is probably the best collection of UFO slides in the USA. He tells me he would come to Canada for reimbursement of lodgings and transportation. Would the college pick up the tab for this?

Just a suggestion, Hank, if you think it is worthwhile.

Cheers,
