Dear Colman:

Thank you for your letter of January 12th and the copy of the WASA document. It looks very interesting and I look forward to reading it. The information in the third paragraph of your letter is most interesting indeed.

Thanks for including my ad on the back cover. It looks great!

If I ever do get a chance to look up your son in Montreal, I will.

Good luck with your appearance before the House of Lords Committee!

Yours sincerely,

Arthur Bray.
