Dear Art:

Many thanks for your excellent documentation, which together with your speech will be a great assistance during my confidential meeting with military authorities.

As far you know I am invited to the Chief of Staff of the Spanish Air Force, and recently I was informed that the Austrian Chief of Staff would like to see me also.

As far to night I am leaving, - I will keep you informed on the all details, and mail documentations also from the West German Dept. of Defense and Cancellor, very significant explanations to Mr Hesemann who filed a similar Memorandum with them.

According to your request, - your documentation will be kept in full confidentiality.

With the kindest regards

Friendly yours,

Colman
