

their actions. I can understand the fear and urgency that must have been instrumental in the decision not to tell the public. Obviously I disagree with this decision. Throughout history small but powerful groups of men have consistently felt that they alone were capable of deciding the fates of millions and throughout history they have been wrong. This great Nation owes its very existence to the Principles of Freedom and Democracy. I believe with all my heart that the United States of America cannot and will not succeed in any effort that ignores those Principles. Full disclosure to the public should be made and we should proceed to save the human race together.

(2) We are being manipulated by a joint human/alien power structure which will result in the partial enslavement of the human race. We must use any and every means available to prevent this from happening.

(3) The government has been totally deceived and we are being manipulated by an alien power which will result in the total enslavement and/or destruction of the human race. We must use any and every means available to prevent this from happening.

(4) Something else is happening which is beyond our ability to understand at this time. We must force disclosure of all the facts, discover the truth and act upon the truth.

In any case we MUST force disclosure of the truth or no matter what happens we will surely deserve it. The situation in which we find ourselves is due to our own actions or inactions over the last 44 years. It is our own fault and we are the only ones who can change it. Through ignorance or misplaced trust we as a people have abdicated our role as the "watchdog" of our government. Our government was founded "of the people, for the people, by the people". There was no mention or intent to ever abdicate our role and place our total trust in a handful of men who meet secretly and decide our fate for us. In fact the structure of our government was designed to prevent that from ever happening. If we had done our jobs as citizens this could never have happened. Most of us are completely ignorant as to even the most basic functions of our government. We have truly become a nation of sheep. Sheep are always eventually led to slaughter. It is time to stand up in the manner of our forefathers and walk like men. I remind you all, that the Jews of Europe marched obediently to the ovens, after having been warned, believing all the while that the facts could not possibly be true. When the outside world was told of the holocaust occurring in Hitler's Europe it was not believed. I state here and now that Hitler was manipulated by these same aliens.

I have brought you the truth as I know it. I do not care what you think of me. I have done my duty and no matter what fate lies in store for me, I can truly meet my maker with a clear conscience. I believe first in God. The same God that
