Dear Major VonKeviczky,

Thank you for your letter of 25 September, 1985, in which you requested copy of a report on UFO activity over Kuwait Oil Fields.

I would like to inform you that the report you are interested in is classified as confidential and cannot be distributed for unofficial use. However, significant portion of the report was disclosed to local Kuwaiti newspapers during November/December, 1978, and was published by them. Hence, you may contact Kuwaiti newspapers e.g. Arab Times, etc. for whatever information concerning this subject.

Thank you for your interest and hope you will find the information you need.

Sincerely yours,

Dr. Adnan Shihah-Eldin
 Director General
