Interested in exchanging newspaper clippings on UFOs? No

Interested in UFO Amateur Radio Network? No

Interested in joining and participating in a Canadian UFO Network? (*) see below

Do you presently investigate and collect UFO sighting reports? YES - but only

unusual cases as don't have time for run of the mill cases. Sub. 1002
Do you have taped UFO report interviews you are willing to share and
exchange? No

Are there any particular times you do not want to be disturbed by an
"as it happens" UFO sighting report (for example, after midnight):

Other Information You Wish to Add: Author of the following:

Book - "Science, the Public and the UFO" - 1967.

Chief to Special Senate Committee on Science Policy - subject UFOs (1968)
frequent contributions to Canadian UFO Report & other publications

(*) My employment entails a great deal of travel across Canada. Hence I have
little time for investigation of sighting reports on a personal basis.

Please Return To: John B. Musgrave, 10510 86th Avenue, Edmonton, Al-
berta T6E 2M6

(*) Yes - but it depends on the type of network, its objectives, and how it
would go about achieving these objectives. I would not join simply
for the sake of joining. I would want clear definitions of the foregoing
