Mr. William Dick,

U.S.A.

Dear Mr. Dick:

I am writing in reference to your letter of 25 October, 1971 concerning the article you wrote about me, which has since been published.

I have been experiencing some problems with my mail for some months and I know that certain mail sent to me never in fact arrived.

As you stated in your letter that the NATIONAL ENQUIRER was going to pay me a fee of one hundred dollars for use of the story, I thought it best to check with you to confirm that it had been mailed, as I have not received it.

Your write-up of the UFO conference at the University of Arizona was very well done and I hope it caused some people to think.

I look forward to hearing from you.

Yours sincerely,

Arthur Bray
