Dear Mr. Bray:

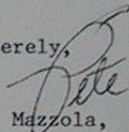

Enclosed is our latest issue, which includes information on the Symposium and a map of the area for the convenience of travelers (pgs. 10/11).

It is extremely imperative that you submit an abstract of your lecture, consisting of 6-8 pages and a 5x7 black & white photograph of yourself, as well as a resume of yourself (without being modest), NOW. I understand that perhaps you have not, as yet, received a reply from the Canadian government. However, our Proceedings Manual must be presented to our printer immediately in order to assure proper delivery prior to the Symposium.

I truly hope you understand and able to cooperate with this request. Attendance for the Symposium is expected to be high and sales of our Manual is also expected to be very good. Therefore, we wish to have you included in this spectacular book.

I wish you and your wife a very enjoyable & safe journey to Albany, New York and certainly look forward to our meeting.

Sincerely,

Pete Mazzola,
International Director.
