

Les Ecuries ^{switz} Iron Mass

Telecon Alex Regarro of Calgary - called 16/12/80

re obtaining this artifact for scientific analyses.
He will have Mr. George Hathaway of Hathaway Consulting Services, Toronto, contact me about this.
He has already visited Jim Smith and talked to him in Florida by phone about this.

Telecon George Hathaway of Toronto 16/12/80

He has been asked by Regarro to contact me to arrange to pick up chunk of metal.

His firm is involved in consulting on energy systems.

Agreed that I will determine whether metal still at Bill Kiddell's former home this coming weekend and George will call me to find out situation.

If metal is there, and owner of property wants any money, George has authorized me to offer up to double scrap value for it.

To contact George or his colleagues:

his home: (416) 923-8586

his office: (416) 961-5136 (Hiddellton Associates)
(416) 925-4158 (Norman B. Hathaway Assoc's)

or leave message with brother Caryl, or father, Norman B. Hathaway at (416) 924-3891.

Telecon Jim Smith 16/12/80

He confirmed the above. All is O.K.
