

captured at the 1949 Roswell crash. He died in captivity.

KRLL OR KRLLL OR CRLL OR CRLLL pronounced Crill or Krill was the hostage left with us at the first Holloman landing as a pledge that the aliens would carry out their part of the basic agreement reached during that meeting. KRLL gave us the foundation of the yellow book which was completed by the guests at a later date. KRLL became sick and was nursed by Dr. G. Mendoza who became the expert on alien biology and medicine. KRLL later died (I'm not too sure of his death as this memory may be a carry over from EBE). His information was disseminated under the pseudonym G.H. Cril or Crill. KRLL became the Alien Ambassador to the United States.

GUESTS were aliens exchanged for humans who gave us the balance of the yellow book. At the time I saw the information there were only 3 left alive. They were called (ALF's) Alien Life Forms.

RELIGION The aliens claim to have created Homo Sapiens through hybridization. The papers said that RH- blood was proof of this. They further claimed to have created all of our major religions. They showed a hologram of the crucifixion of Christ which the Government filmed. They claim that Jesus was created by them.

ALIEN BASES exist in the four corners area of Utah, Colorado, New Mexico, and Arizona. Six bases were described in the 1972 papers, all on indian reservations and all in the four corners area. The base near Dulce was one of them.

MURDER The documents stated that many military and government personnel had been terminated (murdered without due process of law) when they had attempted to reveal the secret.

CRAFT RECOVERY The documents stated that many craft had been recovered. The early ones from Roswell, Aztec, Roswell again, Texas, Mexico, and other places.

GENERAL DOOLITTLE made a prediction that one day we would have to reckon with the aliens and the document stated that it appeared that General Doolittle was correct.

ABDUCTIONS were occurring long before 1972. The document stated that humans and animals were being abducted and or mutilated. Many vanished without a trace. They were taking sperm and ova samples, tissue, performed surgical operations, implanted a spherical device 40 to 80 microns in size near the optic nerve in the brain and all attempts to remove it resulted in the death of the patient. The document estimated that 1 in every 40 people had been implanted. This implant was said to give the aliens total control of that human.
