

If I can be of assistance to you in your investigations please do not hesitate to call me at work or at home. I remind you that Jupiter is prominent in the night sky at this time of year and that Venus will soon become dominant. Beware of U.F.O. reports resulting from sightings of these planets.

Telephone Seneca - 491-5050, ext. 558
Home - 231-3949

Sincerely,

R. Hudek
