Dear Sirs:

In January 1975, the Canada Council announced it had awarded a \$6,000 grant under its Explorations Program to John B. Musgrave of Edmonton for a study of UFOs. It was my understanding that the results of this study would be published in a book.

As no such book has yet appeared after four years, I am curious as to whether the taxpayers' money was wisely spent.

I will be grateful for any information you can give me concerning the status of this project as far as your records are concerned.

Yours sincerely,

Arthur Bray.
