Dear Brian:

Many thanks for your letter of May 5, and my apologies for the delay in replying.

With reference to the sighting in Murdochville, P.Q., I have not heard of it before. Ditto for the case at Greenwood. However, I will visit NRC and search their files to see what I can get for you. It may be a week or more before I can manage to get there, however.

Nothing further yet on the "slag", but I am still pushing Millman on this. For a piece of "slag", it is strange how it can take so long to prove it. I will keep you posted.

You will hear from me soon on the two cases above.

Sincerely,

Art
