Mr. Arthur Bray,

Wilkes, Ontario, Canada, K2C 2B8.

Dear Arthur,

Thanks for welcome letter of 14th Inst. and looking forward to get the further six copies of your book. The others are all sold and will forward money after coming back from three weeks holidays end of next month.

Space Age Books, 317 Swanston Street, Melbourne, Australia 300 is another prospective customer. One of the two owners, Mervyn R. Sims is a good friend of mine, will write him soon about it.

Got Guthrie's Book two weeks ago, seems a bit more realistic than his first one, hope to have time next week to look it thoroughly through.

Here nightingales still nothing doing.

Thanks for good wishes, compliments of the season, trust to hear from you again, when you can. Regards

Yours sincerely

William E. MOSER, J.P., F.R.A.S.
Vicepresident and Honorary General Secretary.
