

These motions for the United Nations are identical. "PANDORA BOXES" carefully referring for the Member Nations only the "solution of the Outer Space problems". The "ghost" in them is the UFO problem, which MUST BE FREED, BEFORE THE TWO MILITARY SUPERPOWERS WILL UNITE THE ENTIRE WORLD'S MILITARY FORCES AGAINST THE GALACTIC SPACE ALIENS, AND TRIGGER A GLOBAL INFERNO

For over two decades since 1966, ICUFON and our joint organizations (Exhibit # 5) have praised with various Memorandums the United Nations and the Governments for the solution of the existing global security problem created by UFOs. Their international policy swept them aside. Now the world's respected leaders called our sense of responsibility to present you the enclosed 4 Dossiers, as integral enclosures to the USA's "STAR WAR" and the USSR's "STAR PEACE" outer space programs.

The Dossiers military documents are irrevokable indications that above all the "little local differences" and "threat of war" (Exhibits # 1, 2.), the verified existence of the GALACTIC POWERS - UFOs - IS TRULY OUR CIVILIZATION'S NO ONE VITAL AND EXISTENCIAL PROBLEM! Its solution suggest to the nations the earliest possible action on the A G E N D A of the United Nations to make clear the followings:

1. The nations' relation to those 'STARS' from where the UFOs operation originate!
2. IMMEDIATE 'CEASE FIRE' and 'STOP' HOSTILE CONFRONTATION against the UFOs, which could easily trigger a fatal Space War!
3. Decisive action to seek OFFICIAL COMMUNICATION with the UFO forces, to secure through it global peace, the nations' reconciliation, the solution of our problems and humanity's constructive evolution toward the Space Age.

TIME IS OF THE ESSENCE. Urgent priority should be to alert the nations' conscience and responsibility to a c t for an

OFFICIALLY and VOLUNTARILY CONTRIBUTED 'BY THE NATIONS AND FOR THE NATIONS' WORLD UFO AUTHORITY, in order to discarding any Space War preparedness, before it is too late...

Assuring you of our honesty and sincerity, we remain
