

The UFO Files of the former D.O.T.

Note re attached correspondence from D.O.C.

Mr. Louis Campbell of D.O.C. Records Management confirmed to me by telephone on 13 July 1976, after a check of D.O.C. records, that D.O.C. does hold file 6650-4 (Confidential) and that this is the former M.O.T. file 22-12-33 (Secret) on Project Magnet.

The attached letter from Mr. John deMascado, denying that D.O.C. holds such a file, is clearly a coverup.
