The Honourable Maurice Lamontagne,
Chairman,
Senate Committee on Science Policy,
The Senate,
Ottawa.

Dear Sir:

I submitted a brief to the Senate Committee on Science Policy, as a private individual. As I understand that all hearings by this Committee are now completed, and I have heard nothing further about my brief since it was submitted, I will be grateful if you will inform me as to whether it was read and considered by the members of the Committee, and what will be its ultimate disposition.

The title of my brief was "Science, Society and the UFO".

Yours truly,

Arthur R. Bray
