Dear Dr. Craig:

As promised, I am enclosing a copy of the special Memoriam Edition of
Topside published in 1963 and dedicated to our founder, the late
Wilbert B. Smith, containing a number of his outstanding articles,
which I hope you will find of interest.

I believe that I inadvertently attached your recent letter to me to the
material I handed to you during your recent visit to Ottawa, and I would
appreciate it if you would kindly return this letter to me for our Club
files.

It was a great pleasure meeting you recently and I trust that we were
able to be of some assistance to you in your UFO study research. If I
can be of any further help to you in this connection, please feel free
to write to me again.

With best wishes.

Yours sincerely,

Carol Halford-Watkins
Club Secretary.
