Helicopter
(341SM)

0345-
0645L

Minuteman crew at M-1 IAC saw large
helo fly over site & hover at 10 ft.
above site helo pad. (10 mi. west of
Louisiana.)

None

Report received of bright objects in
sky from Kilo, Lima and Mike ICFs, plus
camper teams at K-08 & L-06. Objects
appeared to hover and then descend with
bright trailing lights. Simultaneous
sightings from different locations.
(Area approx 120 mi. SE of base on
the 120 degree radial.)
Two 186 FIS F-106s launched from
Great Falls IAP. Lights dimmed and
disappeared. Radar contact lost.
WX: clear, 45 mi. visibility, temp 34.
