

manipulating us all along? Or, was this the beginning scenario of the Genuine END TIMES and the RETURN OF CHRIST which had been predicted in the Bible? No one knew the answer.

A Symposium was held in in 1957 which was attended by some of the great scientific minds then living. They reached the conclusion that by or shortly after the year 2,000 the planet WOULD self destruct due to increased population and mans exploitation of the environment WITHOUT ANY HELP FROM GOD OR THE ALIENS.

By secret Executive Order of President Eisenhower, the Jason Scholars were ordered to study this scenario and make recommendations from their findings. The Jason Society CONFIRMED the finding of the scientists and made 3 recommendations called "Alternatives 1, 2, and 3". "Alternative 1" was to use nuclear devices to blast holes in the Stratosphere from which the heat and pollution could escape into space. Change the human cultures from that of exploitation into cultures of environmental protection. Of the three this was decided to be the least likely to succeed due to the inherent nature of man and the additional damage the Nuclear explosions would themselves create. "Alternative 2" was to build a vast network of underground cities and tunnels in which a select representation of all cultures and occupations would survive and carry on the human race. The rest of humanity would be left to fend for themselves on the surface of the planet. "Alternative 3" was to exploit the alien and conventional technology in order for a select few to leave the earth and establish colonies in outer space. I am not able to either confirm or deny the existence of "Batch Consignments" of human slaves which would be used for the manual labor in the effort as a part of the plan. The Moon, code named "Adam", would be the object of primary interest followed by the planet Mars, code named "Eve". As a delaying action, ALL THREE ALTERNATIVES included birth control, sterilization, and the introduction of deadly microbes to control or slow the growth of the Earth's population. AIDS is only ONE result of these plans. There are others. It was decided since the population must be reduced and controlled that it would be in the best interest of the human race to rid ourselves of the undesirable elements of our society. The joint U.S. and Soviet leadership dismissed "Alternative 1" but ordered work to begin on Alternative 2 and 3 virtually at the same time.

In 1959 the Rand Corporation hosted a Deep Underground Construction Symposium. In the Symposium report, machines are pictured and described which could bore a tunnel 45 feet in diameter at the rate of 5 feet per hour. It also displays pictures of huge tunnels and underground vaults containing what appear to be complex facilities and possibly even cities. It appears that the previous 5 years of all out underground construction had made significant progress by that time.
