

Throughout our history the Aliens have manipulated and/or ruled the human race through various secret societys, religion, magic, witchcraft, and the occult. The Council On Foreign Relations and the Trilateral Commission are in complete control of the alien technology and are also in complete control of the nations economy. Eisenhower was the last President to know the entire overview of the alien problem. Succeeding Presidents were told only what MJ-12 and the Intelligence Community wanted them to know and believe me, it was not the truth.

MJ-12 has presented each new President with a picture of a lost alien culture seeking to renew itself, build a home on this planet, and shower us with gifts of technology. In some cases the President was told nothing. Each President in turn has bought the story, or no story at all, hook, line, and sinker. Meanwhile innocent people continue to suffer unspeakable horrors at the hands of the alien and human scientists who are engaged in barbarous research that would make even the Nazis look like Sunday school children. As if that is not enough many people end up as food for the insatiable alien appetite for biological enzymes, glandulars, hormonal secretions, and blood. Many people are abducted and are sentenced to live with psychological and physical damage for the rest of their lives. In the documents I saw, 1 in 40 humans had been implanted with devices the purpose of which I have never discovered. The government believes that the aliens are building an army of human implants which can be activated and turned upon us at will. You should also know that to date we have not even began to become close to parity with the aliens. Is this technology worth it?

I sent 536 copies of a "Petition to Indict" to every member of the Senate and House of Representatives on April 26, 1989. As of this date, May 23, 1989, I have only received 2 replies. One reply was from Senator Daniel P. Moynihan and the other from Senator Richard G. Lugar. Both stated that they were sending my correspondence to Senator Cranston and Senator Wilson of California as a normal custom and courtesy. Both assured me that MY Senators will promptly assist me in this matter. I have yet to hear from anyone from the State of California or from any other State for that matter aside from the two mentioned above.

The conclusions are inescapable.

(1) The secret power structure believes that, because of our own ignorance or by Divine decree, planet Earth will self destruct sometime in the near future. These men sincerely believe that they are doing the right thing in their attempt to save the human race. It is terribly ironic that they have been forced to take as their partner an Alien race which is itself engaged in a monumental struggle for survival. Many moral and legal compromises have been made in this joint effort. These compromises were made in error and must be corrected and those responsible should be made to account for
