Dear Earl:

Note: I have received your letter in which you asked us to drop by at Wichita for a brief visit. With deepest regrets we had to cancel our trip to the Boeing factory due to a very important and sudden matter that developed here. All of us were considerably disappointed as Mr. Allen had planned a very fine trip for us; however, we hope to go out at a later time. Will remember your invitation and get out to see you just as soon as we can, as I am very anxious to see the XL-15.

I have been away quite a bit the last couple of weeks so have not had a chance to submit any information to you that you asked for in your round robin letter. I will get on this very shortly.

he went to N.M.

Best regards,

Lieutenant General, U.S.A.

P.S. Unification looks
like a sure thing now.
