Re: PERSONAL INVITATION TO SPEAK AT THE SBI/1984 ANNUAL UFO SYMPOSIUM.

Dear Mr. Bray,

Our annual UFO symposium shall be held on October 27 & 28, 1984, at C.W. Post Campus (Science Building) of Long Island University in New York. It is the "first time" an UFO organization has broken the barrier for an institution of higher learning to conduct a 2-day symposium in regards to UFOs. Normally this was only accomplished by Dr. J. Allen Hynek (CUFOS), however, we feel we have broken this barrier & opened the door for other UFO groups to conduct UFO symposia in the U.S.A. at major colleges.

The theme for our annual symposium this year is "UFOs: The Greatest Story Ever Told." Besides Maj. (Ret.) Colman Von Keviczky & myself speaking at this event, the SBI is also seeking William Moore, Budd Hopkins, Larry Fawcett, Paul Dong, Raymond Fowler & John Schuessler to speak. Of course, no symposium would be complete without your lecture as well; your excellent account of Canadian UFO activity & attempt to retrieve documents from the Canadian government on this subject at our last symposium was truly informative.

Therefore, we cordially invite you to lecture at this worthwhile educational event since your work & accomplishments in the field of ufology are well recognized & appreciated. NO ABSTRACT OF YOUR LECTURE IS REQUIRED, rather we shall be making tape cassettes of our speakers lectures for sale to the public.

As our friend, & peer in this subject, we sincerely request your volunteered services to lecture at our symposium. As a volunteered GUEST SPEAKER you shall have the following benefits: 1) Free admission to our Friday, Oct. 26th Informal Get-to-Gether. (You & wife)

2) Free admission to both days of our symposium for you & your wife.

3) Participation in our Press Conference on Friday, Oct. 26th.

4) Participation in our Guest Speakers Panel.

At present we are negotiating with a hotel nearby the college & more info shall be received through a brochure currently being laid-out for printing. In order to inform us if you will accept our invitation please complete questions below & return entire letter to us as soon as possible.

PLEASE ANSWER & RETURN ENTIRE LETTER TO US IMMEDIATELY

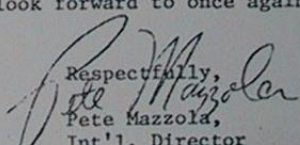

a) Will you lecture at our up-coming symposium? \_\_\_\_\_ (yes or no)

b) If you are not going to lecture, will you attend? \_\_\_\_\_ (yes or no or n/a)

\*c) If lecturing, will you need table space for sale of book(s)? \_\_\_\_\_ (yes or no or n/a)

(\*Sales Table = \$25.00 for 1 table for both days of symposium. Fee for this purpose, if needed, shall accompany acceptance to lecture when returning this letter to us.)

We thank you for your consideration in this matter & look forward to once again having you lecture at our annual event.

Respectfully,  
  
Pete Mazzola,  
Int'l. Director
