

Further info. re missing files from M.O.T

Telerec Harris Campbell of D.O.C. 13 July '76

Vol. 3 of unclassified file 5010-4 has not yet turned up.

M.O.T. file (secret) 22-12-33 "Project Magnet" now held by D.O.C. under file no. 6650-4 and now classified as confidential.

There appears to be no trace of file 22-2-29.
He will check further and let me know.

Telerec Harris Campbell of D.O.C. 14 July 1976

After further checking, he confirms that there is no record of secret file 22-2-29 ever having been received from M.O.T. (See note attached to my letter of June 23 to M.O.T.)

Conclusions (1) secret file 22-2-29 of former D.O.T. can be considered to be missing.

(2) unclassified file 5010-4 vol. 3 can be considered to be "temporarily misplaced".
