

DND UFO Files

Visit to DND/Directorate of History, 9 March 1978.

Files reviewed

My contact: Mr. McIntosh 992-6446
Ogilby's Annex, 3rd floor.
Nicolas Street.

- | | <u>PARC Box No.</u> |
|--|---------------------|
| ① 940-105, "Intelligence Sighting of Unknown Objects"
formerly <u>Confidential</u> . | 829627. |
| ② 940-105 vol. 2, "Intelligence Sighting of Unknown Objects"
formerly <u>Confidential</u> | 829627. |
| ③ 940-5 vol. 1, "Intelligence Sighting of Unknown Objects"
formerly <u>Unclassified</u> | 829624. |
| ④ 940-105-3 "Intelligence Sighting of Unknown Objects Outside
of Canada" - formerly <u>Secret</u> | 829629 |

All these files were "sanitized" (the elimination of information not collected by DND and the excision of the names of civilian observers from the reports. In this form, the files are unclassified and open to the public).

All material consisted of photocopies of originals in the original files. The originals of all still exist in the custody of NDPM5 (Records Management).
