

most cases while the victim, animal or human is still alive.

The various parts of the body are taken to various underground laboratories one of which is known to be near the small New Mexico town of Dulce. ^{N.S.A.} This jointly occupied (CIA-^{N.S.A.}alien) facility has been described as enormous with huge tiled walls that 'go on forever'. Witnesses have reported huge vats filled with an amber liquid with parts of human bodies being stirred inside.

After the initial agreement, Groom Lake, one of this nations most secret test centers was closed for a period of about a year sometime between 1972 and 1974, and a huge underground facility constructed for and with the help of the EBE's. The bargained for technology was set in place but could only be operated by the EBE's themselves. Needless to say, the advanced technology could not be used against the EBE's themselves in case of need.

During the period between 1979 and 1983 it became increasingly obvious to MJ-12 that things were not going as planned. It became known that many more people (in the thousands) were being abducted than were listed on the official abduction lists. In addition it became obvious that some, not all, but some of the nations missing children had been used for secretions and other parts required by the aliens.

In 1979 there was an altercation of sorts at the Dulce laboratory. A special armed forces unit was called in to try and free a number of our people trapped in the facility who had become aware of what was really going on. According to one

source 66 of the soldiers were killed in the effort and our people were not freed.

By 1984 MJ-12 must have been in stark terror at the mistake they had made in dealing with the EBE's. They had subtly promoted "Close Encounters of the Third Kind" and "E.T." to get the public used to 'odd looking' aliens that were compassionate, benevolent and very much our 'space brothers'. MJ-12 'sold' the EBE's to the public and were now faced with the fact that quite the opposite was true. In addition, a plan was formulated in 1968 to make the public aware of the existence of aliens on earth over the next 20 years to be culminated with several documentaries to be released during the 1985-1987 period of time. These documentaries would explain the history and intentions of the EBE's. The discovery of the "Grand Deception" put the entire plans, hopes and dreams of MJ-12 into utter confusion and panic.

Meeting at the 'Country Club', a remote lodge with private golf course, comfortable sleeping and working quarters and its own private airstrip built by and exclusively for the members of MJ-12, it was a factional fight of what to do now. Part of MJ-12 wanted to confess the whole scheme and shambles it had become to the public, beg their forgiveness and ask for their support. The other part (and majority) of MJ-12 argued that there was no way they could do that, that the situation was untenable and there was no use in exciting the public with the "horrible truth" and that the best plan was to continue the development of a weapon that could be used against the EBE's under the guise of "SDI" the Strategic Defense
