

Dear

Arthur

Date: 23 Feb '82

This is to inform you that your report(s) ~~press cutting(s)~~ letter arrived safely at this office and to thank you for your cooperation.

We regret that this is not a personal communication but the large volume of work at AFRO does not permit us to acknowledge each report personally. *Thanks for the notice. The printer must have slipped your card in his machine. It occurs again, let us know.*

Regards

W. M. Maulden
Sincerely,
AFRO Staff
