Dear Mr. Bray:

Your request to the Department of Communications for material on Mr. W.B. Smith's "Project Magnet" has been referred by D.O.C. to us. The only written material that exists is a typewritten copy entitled "Project Magnet" which we inherited when the NRC took on the task of filing UFO observations. Some years ago, we had this report reproduced in a limited quantity to provide copies upon request to people such as yourself who are either members of UFO clubs or serious collectors of reports. We do not have sufficient stocks for general distribution to all requests. We are pleased to provide you with the enclosed copy and hope that it will be of interest to you.

Yours truly,

Allen G. McNamara,
Head,
Planetary Sciences Section.
