

File 940-5 vol 1

Period: 11 July 1947 to 5 March 1961

Contains only sighting reports, mostly in letters, a few addressed to Air Defence Command, but most to HQ in Ottawa.

Little investigative material.

File 940-105-3

Period: 30 April 1950 to 13 November 1952

Contains - clippings from a few foreign newspapers sent to AFHQ by Air Attache's.

- "Report on visit to USAF HQ, Directorate of Intelligence, May 15 to 19, 1950," by S/Lt G. H. Went, DAI.
(Originally Confidential)

Conclusions of this report are that flying saucers are no threat to security of USA, and represent misinterpretations, mass hysteria and hoaxes.

A photo copy of entire 9 page report obtained (~~in the hand~~)
(Filed in Pamphlet box "Special Reports")

- Intelligence reports on a German who claimed UFOs were built in an underground factory in Germany. This story carried no credibility by intelligence officers.

Note - Report noted above includes a USAF report as Appendix "A" where these conclusions are drawn.
