

to be issued for anyone, his office could probably answer that. Certainly this Bureau could not."

When I was told by your secretary, Helen W. Gandy, to write the Better Business Bureau of Los Angeles for information concerning the matter to which I referred, I didn't understand why the Better Business Bureau could give me the information that I desire. I am under the impression that only your organization could possibly give me the answers to my questions, since the story involves your men.

The information I am asking you for is of the utmost importance to me. I have been making a complete investigation of Mr. George Adamski's claims in regard to his experiences as recorded in his books, "Flying Saucers Have Landed" and "Inside The Space Ships." I have decided to try to settle once and for all the controversy over his claims. I have spent about a year and half investigating Mr. Adamski's claims, and I am planning to write an article for a national magazine soon on the information I have obtained. The objective of my investigation is to obtain the facts and report them fairly to the American people. I want you to understand that I am not a confirmed believer in the interplanetary answer to the "flying saucer mystery" nor a confirmed non-believer. I am completely impartial; I will investigate the evidence presented by both sides and present it in my article. My readers will be given the facts and then I will let them draw their own conclusion.

I should like you to understand that I plan to quote the information you give me in my report. I will be grateful for the full cooperation on your part and of your organization in my investigation.

WILL YOU PLEASE ANSWER THE FOLLOWING QUESTIONS

1. DID THREE F.B.I. AGENTS VISIT MR. GEORGE ADAMSKI AND THREATEN HIM THAT HE WAS TO KEEP QUIET AND NOT TO MENTION THE GOVERNMENT OR ANY OF ITS SERVICES HEREAFTER?
2. WAS MR. ADAMSKI WARNED THAT BECAUSE OF THE BROADCAST A WARRANT FOR HIS ARREST HAD BEEN SIGNED BY THE ATTORNEY-GENERAL AND THAT THE NEXT TIME A THING LIKE THIS OCCURRED HE WOULD BE ARRESTED?
3. HOW DID MR. ADAMSKI VIOLATE THE LAW?
4. IF THE STORY IS FALSE, DOES THE F.B.I. PLAN TO DO ANYTHING ABOUT IT?
5. WHY DID YOUR SECRETARY, HELEN W. GANDY, ASK ME TO WRITE THE BETTER BUSINESS BUREAU OF LOS ANGELES, CALIFORNIA, FOR INFORMATION CONCERNING THE MATTER TO WHICH I REFERRED WHEN THEY DID NOT KNOW ANYTHING ABOUT THE MATTER?

Sincerely yours,
