SPECIAL INVITATION

The "Director's Message" of this issue of our SBI REPORT contains important data on this year's annual SBI-1983 UFO Symposium to be held in Albany, New York on August 12, 13 and 14.

The program committee has selected "UFOs: PAST, PRESENT AND FUTURE" as the theme for the symposium and asked me to personally invite you to be a GUEST SPEAKER at one of the five (5) sessions the symposium has been divided into.

Of course, these five sessions are devoted to the discussion of unidentified flying objects (UFOs). Your contributions in this field are well known and recognized throughout ufology. Therefore, we truly hope that you will be able to accept our invitation, as we are all anxious to hear of your work and expertise of this fascinating subject.

We sincerely request you VOLUNTEER your expertise at this function so our attendees may share your valuable research. In appreciation for this volunteered service you will receive: FREE admission to all five individual sessions of the symposium, FREE copy of the Symposium Proceedings manual containing all the papers presented by our Guest Speakers, a distinctive looking badge indentifying you as VIP of the symposium---a Guest Speaker, permitted to promote and/or sell any item(s) you may desire during the symposium (space provided) without charge, participation in a media press conference, and participation at a Guest Speakers Panel on August 13.

We are optimistic you will enjoy yourself as well as find the symposium advantageous due to its anticipated high attendance and total media coverage by newspaper, magazine, tabloid, and radio and television personnel.

Speakers are urged to submit an abstract of their proposed paper by MARCH 30, 1983 and have their completed manuscript submitted by NO LATER THAN APRIL 30, 1983 in order to appear in our Symposium Proceedings manual in our allotted printing time. Speakers are asked to keep their lecture confined to an ONE HOUR TIME LIMIT.

Enclosed, for your convenience, you will find a post card. We would appreciate its return to us as soon as possible so we may learn of your decision. We thank you for your consideration and cooperation and honestly look forward to having you as one of our Guest Speakers.

Respectfully,

Pete Mazzola
Pete Mazzola,
International Director.
