December 1981

Dear FRONTIERS OF SCIENCE Reader,

We are pleased to announce that beginning in January 1982, the INTERNATIONAL UFO REPORTER will appear as a new separate publication and will be mailed bi-monthly to all ASSOCIATES of the Center for UFO Studies as a benefit of association. It will no longer appear in FRONTIERS OF SCIENCE, which is no longer owned by or associated with the Center for UFO Studies.

If you are not presently an ASSOCIATE of CUFOS, you may now associate by making an annual, tax-deductible contribution to the Center for UFO Studies (see the Schedule of ASSOCIATES in this letter).

Present United States resident ASSOCIATES of CUFOS who have contributed \$15.00 or more earlier during 1981 will automatically receive the first issue in January 1982. Since association with CUFOS lasts for just twelve months following each qualifying annual contribution, the date which will appear on the January mailing label will advise you of the due date for your next annual contribution to avoid missing any benefit mailings as an ASSOCIATE (Foreign ASSOCIATES see Schedule for details).

FRONTIERS OF SCIENCE subscribers who are not CUFOS ASSOCIATES (not presently receiving the CUFOS ASSOCIATE NEWSLETTER) will continue to receive FRONTIERS OF SCIENCE bi-monthly issues until their subscription expires. However, after the September/October issue (still in production), they will no longer be reading the INTERNATIONAL UFO REPORTER section in FRONTIERS OF SCIENCE. The "IUR" will be available to them only as an ASSOCIATE of CUFOS benefit publication.

Your prompt reply to this invitation will benefit you in several ways:

1. You will receive the January 1982 issue of INTERNATIONAL UFO REPORTER while supporting research of the UFO phenomenon.
2. You will receive a gift copy of "What You Should Know About UFOs" written by Dr. J. Allen Hynek with photos of UFOs.
3. You will be able to provide an additional gift association with CUFOS to a friend as a novel holiday gift.
4. You may deduct eighty percent of your contribution to CUFOS in 1981 from your taxable income for Federal Income Tax purposes. (Twenty percent of your gift is designated for publication benefits. See application form.)
5. You will read interesting current UFO sighting report evaluations by Dr. J. Allen Hynek and other research reports.

(Over, please)
