Dear Arthur,

Thanks for letter of August 20th. and hope you are well.

Order # UFO 412

Now I think some of our recent members will be interested to acquire your book, I would think six paperback copies would do for a start. Price unchanged at three dollars, I trust.

We had here last week two promising sightings, in outer suburbs, Blacktown and Northern Suburbs. Still being investigated.

I trust you find the new outlay of newsletters, first shown in No. 30 to your liking. Thanks also for congrats to BAA-Presidency.

Jim McDonald who was a very good personal friend of mine, when here in Australia four years ago he was twice in my home for dinner and we wrote each other every six weeks or so. So I could not understand his silence. Confidential he tried to commit suicide already on April 9th, blinded himself, was more successful then on June 14th. He had some family troubles, in letter received from his widow one could read between lines, confirming what I heard before from others. No M.I.B.'s or any similar group or UFO's in general connected with it.

Looking forward to get the copies as soon as possible, I already put a par in newsletter No. 32 for September. One day we might meet! Regards for now.

Yours sincerely

William E. MOSER, J.P., F.R.A.S.
