

BSRA No. 2 - E: THE REALITY OF THE UNDERGROUND CAVERN WORLD - An illustrated talk about the interior of the earth and those who live in it. This includes commend and analysis about the following: the origin of the Serpent Race, a magical ceremony for evoking Cavern dwellers in the Alps, the Shaver Mystery and the Deros, the Catacomb of Hal Saflini on Malta, human dwarfs and 20-foot giants, the Kingdom of Pan -- Fauns and Satyrs, the Planes of Consciousness in the Earth and a guided tour through the Interior, and in conclusion a message from an Earth god. 33 pages, 8½x11, illustrated, mimeo. \$1.75

BSRA No. 2 - F: FLYING SAUCERS ON THE MOON - Mr. Crabb starts off with the premise that the moon is inhabited and is a Flying Saucer base. This is backed up with an analysis of 200 years of astronomical observations on the moon. Illustrations include drawings of moon craters which show the layout of inhabited communities, and the movement of landed spaceships. The race to the moon will do what the Flying Saucer phenomenon didn't do, expand the consciousness of the human race. We are in the midst of this revolution now and Mr. Crabb gives some hints as to who will be most hurt and who most helped by this radical change in understanding. The last portion of the talk is given over to an explanation of the Etheric Worlds, and of the occult or hidden side of the moon and its control over the sex life of man. The Archangel of the Moon, Gabriel, is also God of Dreams. Here is a hint as to why the Astronauts experience a "break off" in consciousness as high altitudes. 41 pages, 8½x11, illustrated. \$2.00

BSRA No. 2 - G: LUCIFER, THE LIGHT-BRINGER. Do you really know the Devil? When he first appeared? His official positions in the Occult Hierarchy? His other functions and responsibilities? His relation to the Extreme Right of Catholicism and the Extreme Left of Communism? This hour-long talk given at Harmony Grove, Calif., June 2, 1963, classifies and diagrams many aspects of the problem of Good and Evil, as seen through Occult Science and the Kabala. There is much food for thought here and the philosophy from the Western Mystery Tradition may make the birth pains of the New Age a little easier for you to take! An interesting dialog with a devil is included, the one who inspired the Kaiser in World War I. 31 pages, 8½x11 mimeo. \$1.75

BSRA No. 2 - H: AN ATTEMPT AT COSMIC MEDIUMSHIP by Riley Crabb, Director, BSRA, contacting members of the Inner Circle for a trial period of four months, August through December, 1960. 36 pages of notes on the problems of telepathic communication and of managing BSRA, plus a five-page introduction with a helpful explanation of the tell-tale characteristics of messages from the different planes. Mimeo . . \$1.50

BSRA No. 2 - I: THE SPACE TRAVEL PROBLEM AND HOW WE'LL SOLVE IT, Through Mastery of Occult Science! Director Crabb's review of the almost insoluble problem of keeping a man alive, sane and well in deep space, as revealed in the press, given to the San Francisco Interplanetary Club, Sept 25, 1964. Insoluble that is, unless the Astronaut becomes an Adept in the power of mind over matter -- in the honorable pagan tradition of the Kahuna, the Shaman, the Yogin, the witch-doctor. Illustrated, 35 pages, 8½x11 mimeo. \$2.00
