Dear Art:

It is my special pleasure transfer to you the enclosed summary of my European UFO Crusade.

Your Memorandum and its confirmation from the Canadian Government was each time the subject of ^{my} lecture and issue. I made a slide of your Memorandum.

On 25th, the Nippon TV was here from Tokyo and I repeatedly presented for shooting your Memo. Your military background was especially emphasized.

In Germany the whole tour will be published with all the documents, and the people requested to support all action which aimed the solution of the UFO's global problem.

The fire is on, - we are expecting to be a holocaust.

Please convey our kindest regards to your wife,

Friendly yours,

Colman
