Mr. R.J. Hudek,
68 Valecrest Dr.,
Islington, Ont.
M9A 4P6.

Dear Mr. Bray

We would like to organize a meeting of all A.P.R.O field investigators who reside in or close to the Toronto area. The meeting will take place on Wednesday, May 7 at 8:00 PM at my home adress, above. (map enclosed)

The purpose of the meeting is to:

1. Coordinate our investigations of UFO sightings so that we are less likely to duplicate each others work, and be made aware of sightings that are close to our respective residences so that investigations can be carried out quickly.
2. Make available to all Ontario members the findings of individual field investigators, since not all reports sent to A.P.R.O. headquarters are published in the journal.
3. Make each others aquaintance and discuss common interests or problems related to UFO research.

Please acknowledge whether or not you will be able to attend. You may write to the above adress or telephone Seneca College at 491-5050 Ext.558 between 9:00 AM and 4:00 PM. If you wish you can reach me at home between 5:00 and 10:00 PM at 231-3949.

If you are unable to attend the meeting but are interested in a cooperative system of UFO investigation in Ontario please indicate this either in writing or by telephone.

Sincerely yours,

R. Hudek
