

For decades, all intelligence agencies in the USA denied any interest in UFOs. Now we know that the FBI, the CIA, the NSA, and NSC have been closely involved in UFO investigations all along.

SHOW & QUOTE - Gersten - 1947 ON 1951 Proceeds' (p.21) -
 got 't secrecy.

SHOW & QUOTE excerpt from CIA memo re panic

SHOW FOIA reports from Belgium, Iran, Kuwait and
 Peru ("Foreign UFO Sightings to") - passed through
 intelligence channels

- these were often classified and priority - WHY?

It seems to me there is an awful lot of attention being paid, with great urgency & secrecy, to something which supposedly doesn't exist.
