

due to proximity of site. Weather was broken
clouds unknown bases--no estimated height on objects.

2235Z/12 Nov 75—Transmitted Unknown report to NCOC Surveillance on
N280 (track number) all parts (I, II and III) on
incident at Falconbridge AFS which occurred on 11
Nov 75. Reference Log entry 1840Z/11 Nov 75.

0220Z/15 Nov 75—Received UFO report from local Duluth resident
(Mrs. Carl Anderson). She stated she saw 4 objects
in East Duluth. Three together and one larger near
the moon. Brighter than stars and moving. There
was no indication on the consoles. I passed the
standard UFO sighting's reply per checklist book.
NCOC was sent complete unknown report (all three
parts) attached to shift summary.

0533Z/15 Nov 75—UFO report from Falconbridge, occurrence time 0200Z,
report sent to NCOC Surveillance, referred to
Assistant Command Director, Space Defense Center,
and Intelligence. These 3 individuals considered
the report a UFO report and not an Unknown track
report.

0734Z/15 Nov 75—Received UFO report from Falconbridge AFS. 0615Z
sky clear reported by Oliver K1210JA-791 Riverside
Drive, Sudbury. He was standing in back yard facing
south. One object bright yellow moving up and back.
It left a tail, very high. It moved around but
