

[redacted] wrote to the Director of Naval Intelligence contained information that [redacted] was receiving messages through thought control from "outer space" and wrote them down as she received them. The letter, according to [redacted] stated that [redacted] could write without any effort on her part and would write continuously for four or five hours at a time without getting tired. He stated that the Office of Naval Intelligence had in its possession the transmissions or messages that had been received by [redacted] b7c

[redacted] stated that he "unofficially" became interested in the matter and at the invitation of [redacted] b7c he went to [redacted] where he spent July 24, 25, 26, 1954, in the residence of [redacted]

[redacted] stated that inasmuch as [redacted] had received no response from the Government concerning this matter, he began reading books on flying saucers. Hutson advised that during the time that he was a house guest of [redacted], there was also present [redacted] b7c who was also interested in flying saucers. [redacted] stated that [redacted] was at [redacted] residence with his family and was there in an unofficial capacity.

[redacted] advised that during his stay, he and [redacted] had various interviews with [redacted] and had had contact with the "outer space" through [redacted]. During the interview with [redacted] and the contact with "outer space," [redacted] stated that they sat in a group and he observed [redacted] writing messages that she was receiving from someone in "outer space." According to [redacted] informed him that people from "outer space" could use her eyes and ears to see and hear. According to [redacted] this is accomplished by the use of a mechanical device and all conversations are recorded by the people in "outer space." Hutson indicated as an example as to how messages were relayed, he stated that he asked [redacted] a question which she was to relay to the people in "outer space" and before she had time to relay the question, she began writing the answer down to his question on paper. b7c

[redacted] stated that [redacted] informed him that whenever she was to have contact with the people in "outer space," she would get a buzzing sound in her left ear to indicate that they were "on the line." [redacted] stated that b7c

[redacted] complained to the people in "outer space" that this buzzing sound gets very annoying and painful to her ear. She also stated that the messages had been coming since May 27, 1954, and would come at all times of the night and consequently she was losing a great deal of sleep. According to [redacted] arranged a schedule with the people in "outer space" so that the messages would not interfere with her sleep. [redacted] advised that a schedule was arranged between [redacted] and the people in "outer space" that she would receive messages on the following schedule: 8:00 in the morning, 12 noon, 6:00 in the evening, every day of the week. b7c

[redacted] stated that [redacted] and [redacted] had also heard the buzzing sound in their ears, but have not been able to receive transmissions or messages. [redacted] stated that the transmissions related to flying saucers, location and why they were here, life on other planets, and life in the hereafter, and prophecies in the Bible. [redacted] advised that [redacted] could contact people in "outer space" by mental thought control. b7c

According to [redacted] stated that there were two space ships from which she had been receiving messages. They were described as 150 miles wide, 200 miles in length, and 100 miles in depth. Hutson stated that these ships are designated as K-4 and L-11 and they also contain mother ships which measure approximately 150 to 200 feet in length. [redacted] related that [redacted] had informed him that there were approximately 5,000 of these mother ships. He stated that "Affa" is the Manager or the Commander of the ship K-4 which is from the planet Uranus and "Ponnar" is the Manager or the Commander of the ship L-11 which is from the planet Hatann. [redacted] related that [redacted] stated that these contacts with "Affa" and "Ponnar" were for the purpose of protecting our own earth from destruction caused by the explosion of the atom bomb, hydrogen bomb, and wars of various kinds which they, "Affa" and "Ponnar," say disrupt the magnetic field of force which surrounds the earth. [redacted] stated that [redacted] also related that contact was made for the purpose of protecting the whole universe because if the "fault lines" break or go to pieces, it could affect the entire universe. According to [redacted] stated, "Affa" and "Ponnar" are presently working the area of the Pacific Ocean repairing "fault lines" which are in danger of breaking. b7c
