

THE SENATE
CANADA

November 10, 1969.

Mr. Arthur R. Bray,
1187 Agincourt Road,
OTTAWA 5, Ontario.

Dear Mr. Bray:

This is to acknowledge your letter of November 5th and to inform you that your brief did, in fact, reach me and like all briefs received from individuals, it has been attended to by the committee.

The only briefs published by the committee are those, of course, which are presented at public hearings by those called by the committee.

Thank you very much for your courtesy in sending your views.

Yours sincerely,

Maurice Lamontagne,
Chairman,
Senate Committee on Science
Policy.
