Dear Honourable Pierre H. Cadieux, M.P. S.G.,

Please find enclosed a xerox of an article which I have had only recent cognizance of; published in the Fall 1989 issue of 'U.F.O. UNIVERSE' (Vol. I No.7; Condor Books Inc.; 351 W. 54th St., New York, N.Y., Zip Code 10019, U.S. of A.).

Not being a citizen of the United States, I do not have a legal basis to write the Attorney General of the U.S. of A., as the originator of the pertinent document requests. However, as a Canadian citizen I do feel the potential ramifications of such an article, since the U.F.O. phenomena is worldwide in its scope.

Verily, my security as well as the security of other Canadians 'could' ultimately be placed in a vulnerable posture should the allegations contained in this declaration & legal attestation in due course be affirmed.

Hence this letter to your esteemed office.

Your attention to this security matter is much appreciated.

Cordially yours,

Gary Whitehead,
