Dear Art:

Many thanks your superb documentation, and your kind permission to use them in part and in full.

They are in fact the missing links to the Chapter: United Nations and the Hazardous Gambling with the Global Security/Canada Reveals the Trap Beyond the U.N. UFO Agenda and WALDHEIM REVEALS THE NATIONS' CONSPIRACY.

I enclose you for your information the contents of the book and you may realize as a matter of fact that the whole UFO problem and its fundamentally important GLOBAL SECURITY have been concentrated from 1944 in the TOP SECRET hand of the nations' military forces.

The scientific community and all their concocted explanations of the kowtow and servile scientists with assistance of the UFO organizations are the gratis milk-cows of the military forces in the preparation of a defensive confrontation to the exploring space forces.

To expose this fact - IN TIME - is the goal of my book.

With the kindest regards

Yours truly,

C.V.K.

PS: May I express my special congratulation at your government and regarding Grenada's action on the U.N. agenda.
